SHOW RULES AND REGULATIONS

The rules of the C. K. C. effective January 1, 1962, require the payment of a listing fee of \$1.00 on the entry of a dog not registered individually in the Club's records at time of entry. There is no limitation on the number of shows or trials at which a dog may be entered as a "listed dog" and the previous requirement that a "listed dog" be registered within 60 days of a show or trial has been deleted from the rules. Exhibitors should note, however, that the C. K. C. does not confer a title on any dog until it is registered individually in the Club's records.

Exhibitors must abide by their own errors in entering dogs. The show committee will use all care and diligence for the safety of dogs, but will not be responsible for any loss or damage to any dog, whether the result of accident or loss. The show superintendent may deal with certain disputes—

(see Chap. 3 — C. K. C. Rules). All dogs must be kept under complete control.

No dog will be allowed in the building unless passed by the Official Veterinarian. The show committee reserve the right to refuse any entry it may see fit to exclude, subject to the Canadian Kennel Club Rules.

The administration, in any form, of drug or any substance whose action alters the nervous system by stimulation, sedation, or tranquilization to a dog competing at a Show or Trial shall be considered as misleading the Judge and will be considered misconduct in the opinion of the Board of Directors. The person or persons responsible will be subject to disciplinary action in accordance with the Rules of the Canadian Kennel Club and the dog shall be debarred from the Show or Trial.

NOTICE TO EXHIBITORS

A Judge officiating at a Show or Trial held under the Canadian Kennel Club Dog Show Rules shall not be subjected to indignities of any kind during the progress of the Show, and it is the duty and obligation of the Club holding the Show to see that this rule is effectively carried out. The Show Superintendent shall promptly report to the Canadian Kennel Club any infringement of this rule and the Board of Directors shall have the power to take such action as it deems fit on receipt of a report that this rule has been violated.

Any dog excused by the Show Superintendent or Show Veterinarian for any reason shall not after being excused compete in any class or for any award for the balance of the Show.

Any female excused because of being in season shall not be allowed to compete in any class or for any award. (Chap. 19, Sec. 1, Para. 3 of the Canadian Kennel Club Show Rules.)

Any person either within or outside the Judging Ring who does anything calculated to attract or distract or otherwise interfere in any way with the attention or deportment of a dog under judgment may be disciplined by the Board of Directors of the Canadian Kennel Club in whatever way it considers is in the best interests of the Club, or the Judge may take summary action. (Chap. 19, Sec. 18 of the Canadian Kennel Club Rules.)
